PAID

OR

UNPAID

**TASHIPS ARE REQUIRED AND UNPAID IN 3
DEGREE PROGRAMS...**

**Chemical &
Biomolecular
Engineering
(3 semesters)**

**Biomedical
Engineering
(2 semesters)**

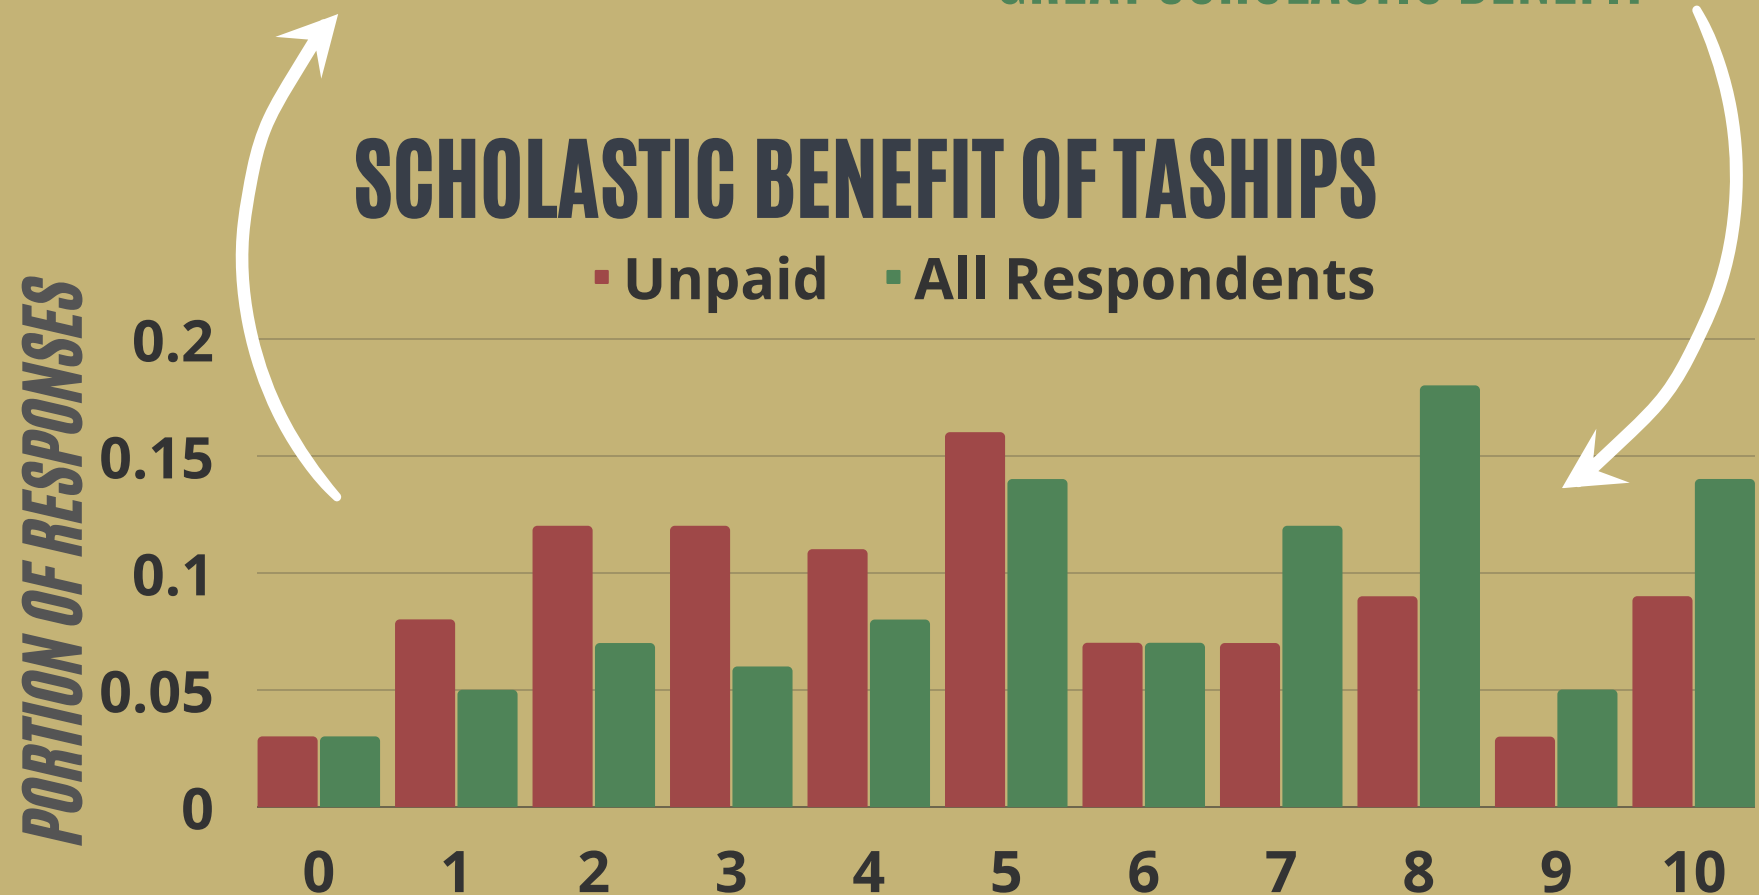

**Material
Science &
Engineering
(5 semesters)**

AT LEAST THEY'RE LEARNING RIGHT...?

IT DOESN'T SEEM LIKE IT.

MOST **UNPAID** TA'S REPORTED
LITTLE/NO SCHOLASTIC BENEFIT

MOST **PAID** TA'S REPORTED
GREAT SCHOLASTIC BENEFIT

PERCEIVED SCHOLASTIC BENEFIT OF TASHIP

0 = NO BENEFIT, 10 = GREAT BENEFIT

Testimonial Time

"...many students don't care to be good TA's and only care about doing the minimum..."

"If I'm not being paid extra to TA, why am I expected to put in a lot of work? ... I cannot possibly care past the bare minimum..."

"Some P.I.'s ... don't see any value in teaching... in spite of the hours I must put into my TA duties, I have to make up for them at the laboratory."

NO BENEFIT = NO DRIVE!

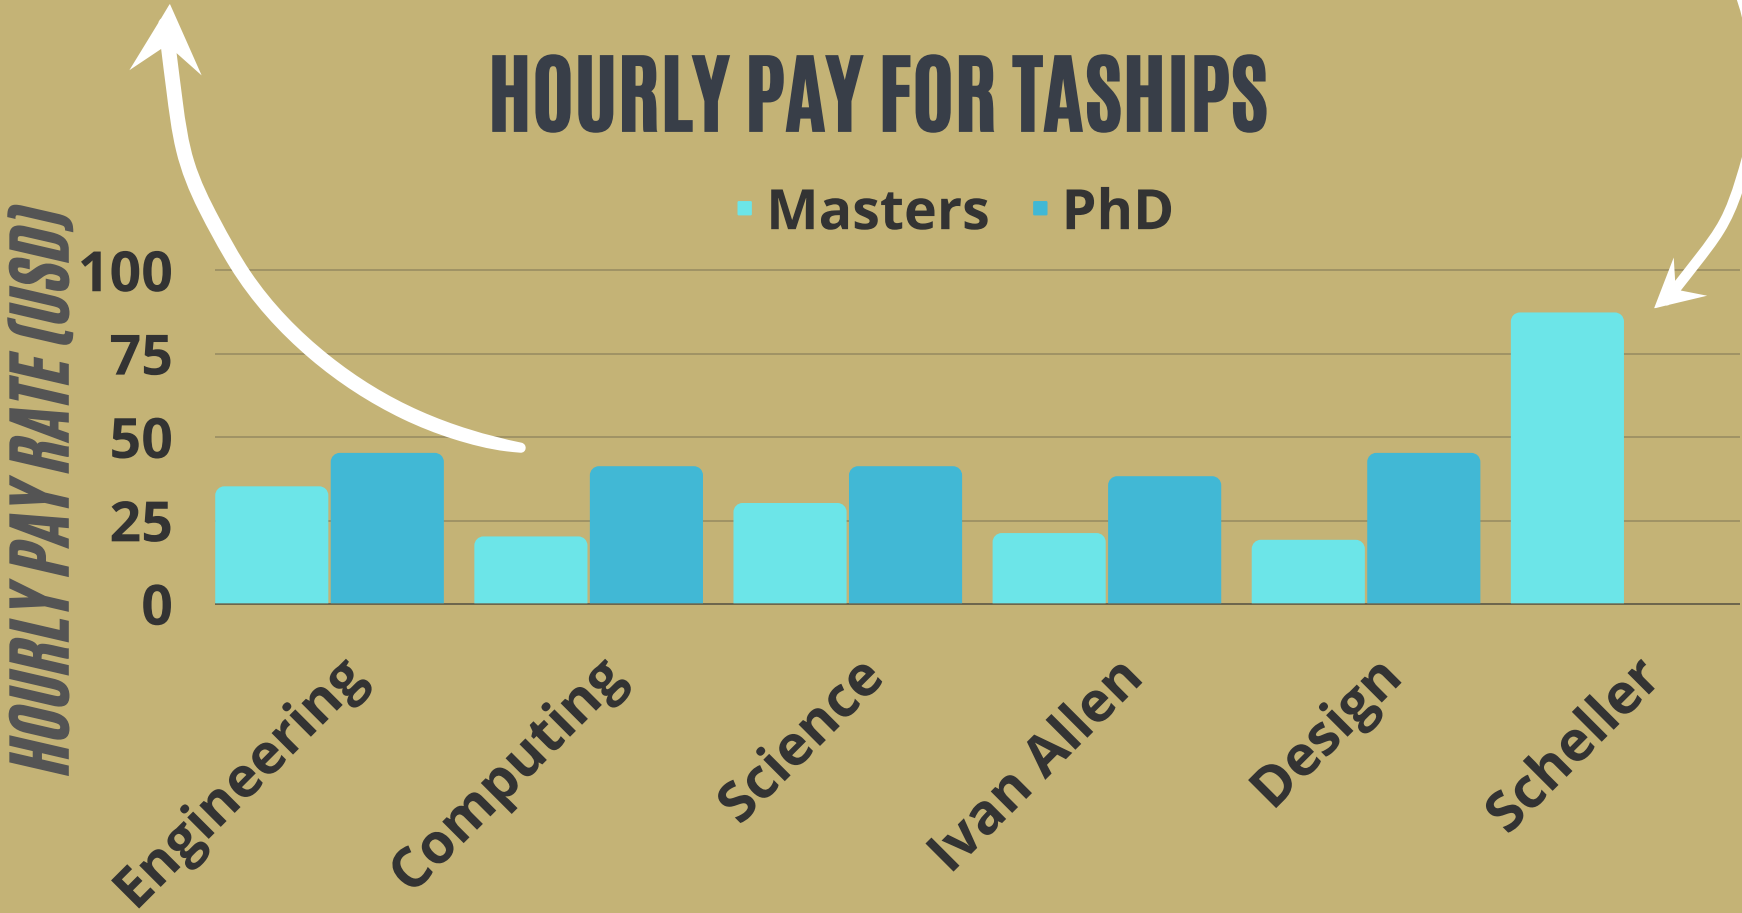

HOW MUCH PAY ARE WE TALKING?

IT DEPENDS...

LOWEST PAID TA'S ARE FROM COLLEGE OF COMPUTING, IVAN ALLEN COLLEGE, AND COLLEGE OF DESIGN MASTERS PROGRAMS.

THERE IS MORE VARIANCE AMONG MASTERS TA PAY THAN AMONG PHD TA PAY

GEORGIA TECH COLLEGE

Testimonial Time

"I haven't yet received compensation for the semester even though I've been employed since the start." -Cybersecurity

"My file is still not processed even after two months of this semester and thus I haven't received my salary." -ECE

"Monthly deposits can be tricky when they don't line up properly with the bills I have to pay."

THERE ARE ISSUES EVEN FOR PAID TA'S

SO... WHY BE A TA?

Skills Gained

"Coming up with ways to distill complicated concepts for students and explain them in a way that's more straightforward."

"Building educational relationships with students and getting them invested in the subject matters that I'm passionate about."

"Understanding how students think about concepts and how to facilitate the best way of learning was the most useful gained skill."

IT'S NOT ALL BAD!
